WABA Internal rules proposed changes for EGA 2022

Art 1 d) (existing part) E-mail must be received by the electronic vote committee (held by WABA secretary or a Board delegate and the chairman) by 6 pm the following day, Greenwich Mean Time (GMT).

Art 9 j) (existing part) An appeal to the Board after a decision was taken and communicated, may be applied in a term of 30 days of reception of decision. The decision on appeal is definitive, except on cases that you may appeal to the GA(EGA/EGM) as per Statutes but only for circumstances related to Art.18 c) if exceeded of 8 months of suspension or for Art 18 e) of Statutes.

Motivation for these first parts:
Adapting to actual situation and clarification of terms

New part of art. 9j IR:

In the case of an appeal to EGA, a resumé or a list of all related documents shall be shared online with the WABA members in good standing and eligible to vote. The documents shall be published according to Swiss personal data policy laws. All personal names of third parties are removed *(in according to Swiss laws).*

Motivation for this second part:

Members need to be duly informed on what they vote, but personal data policy laws ask to remove the names of third parties

Art. 14 (new) Application of WABA/WABR guidelines. Statutes art. 15 i)

The general WABA/WABR guidelines are valid for the whole world. However, regional or national local laws provisions, have pre-eminence. Local TI must, however, integrate the provisions set out if they are missed at local level.

Motivation:
Local specific official laws always have preeminence towards general guidelines
